CETOUR LE Since 1903

An annual men's multiple-stage bicycle race held in France for 23 days taking place in June, July.

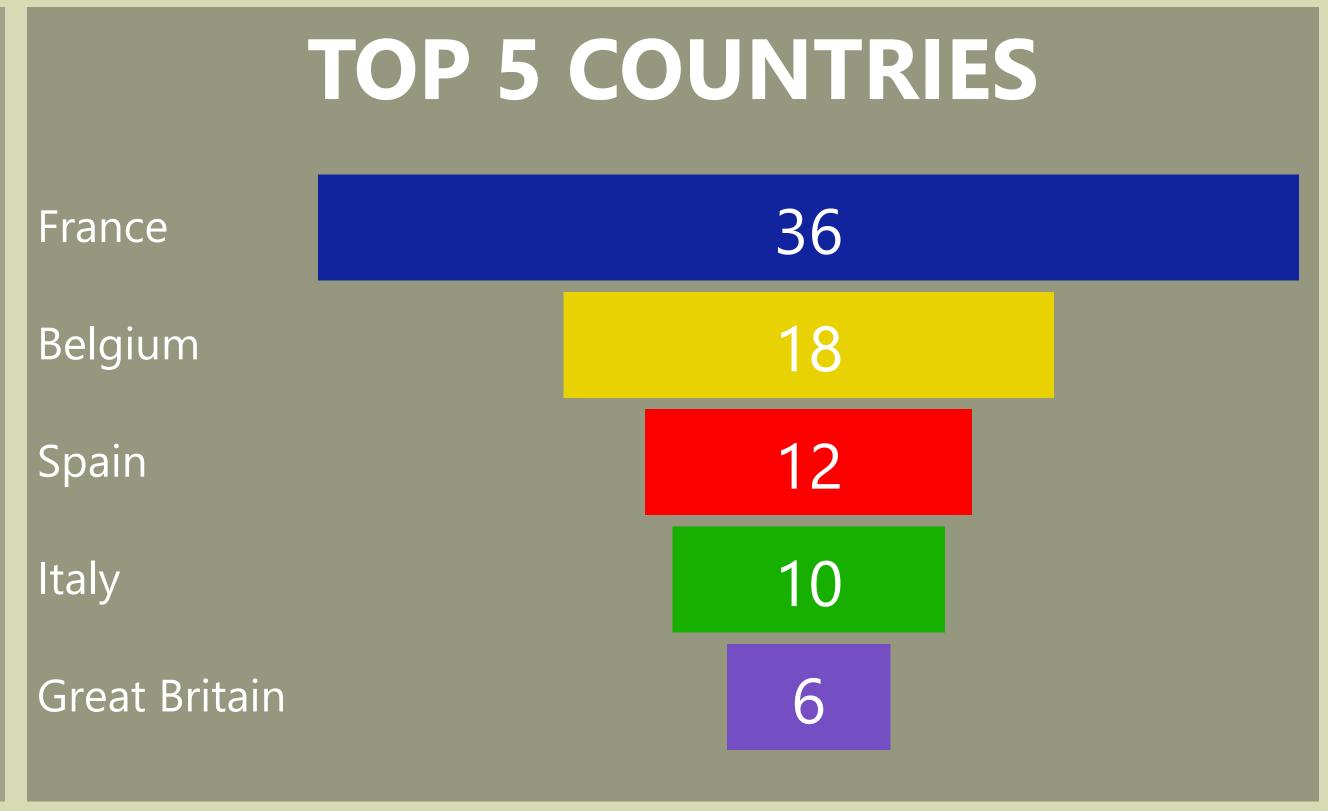

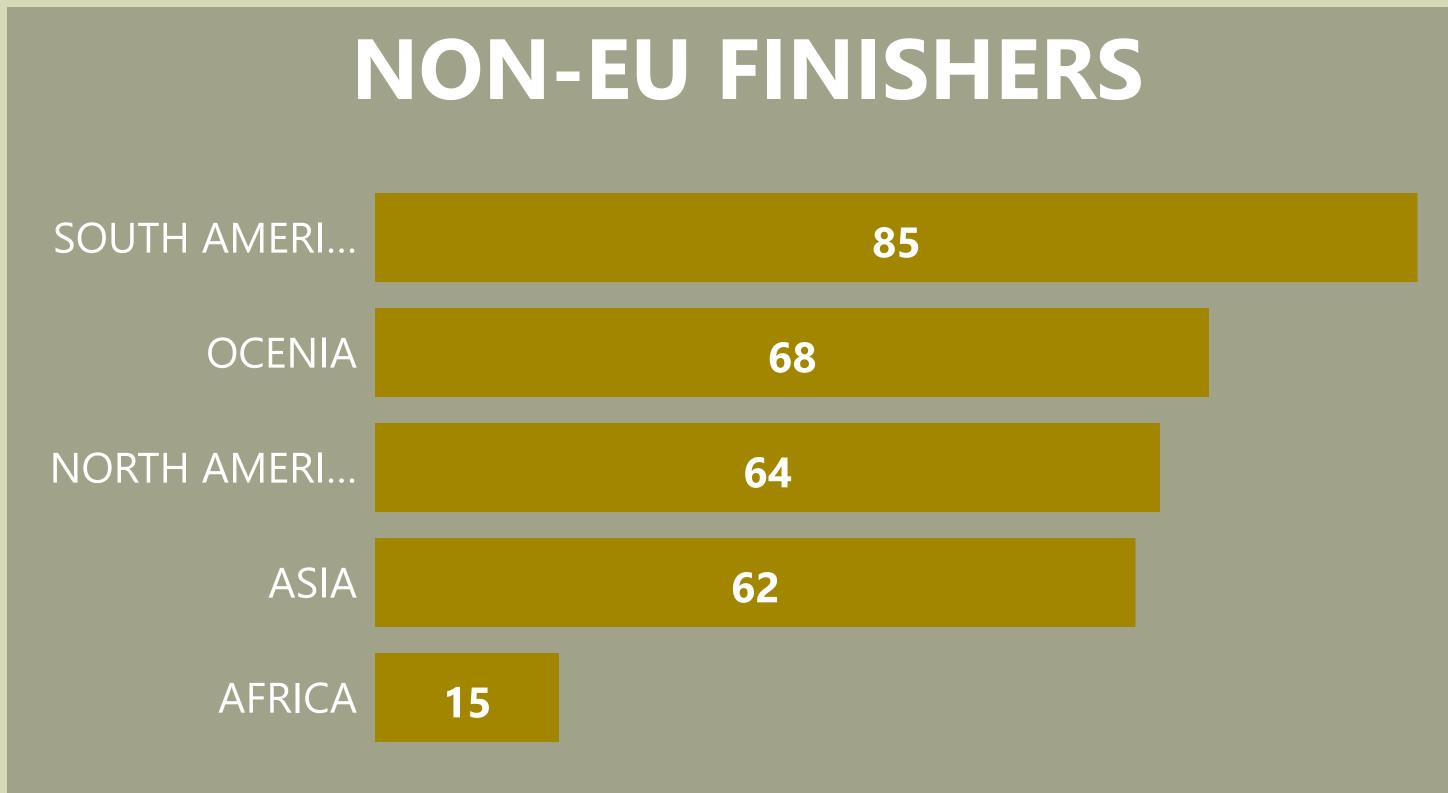

Participants race 1 day/stage.

Each stage has a winner crossing the finish line first.

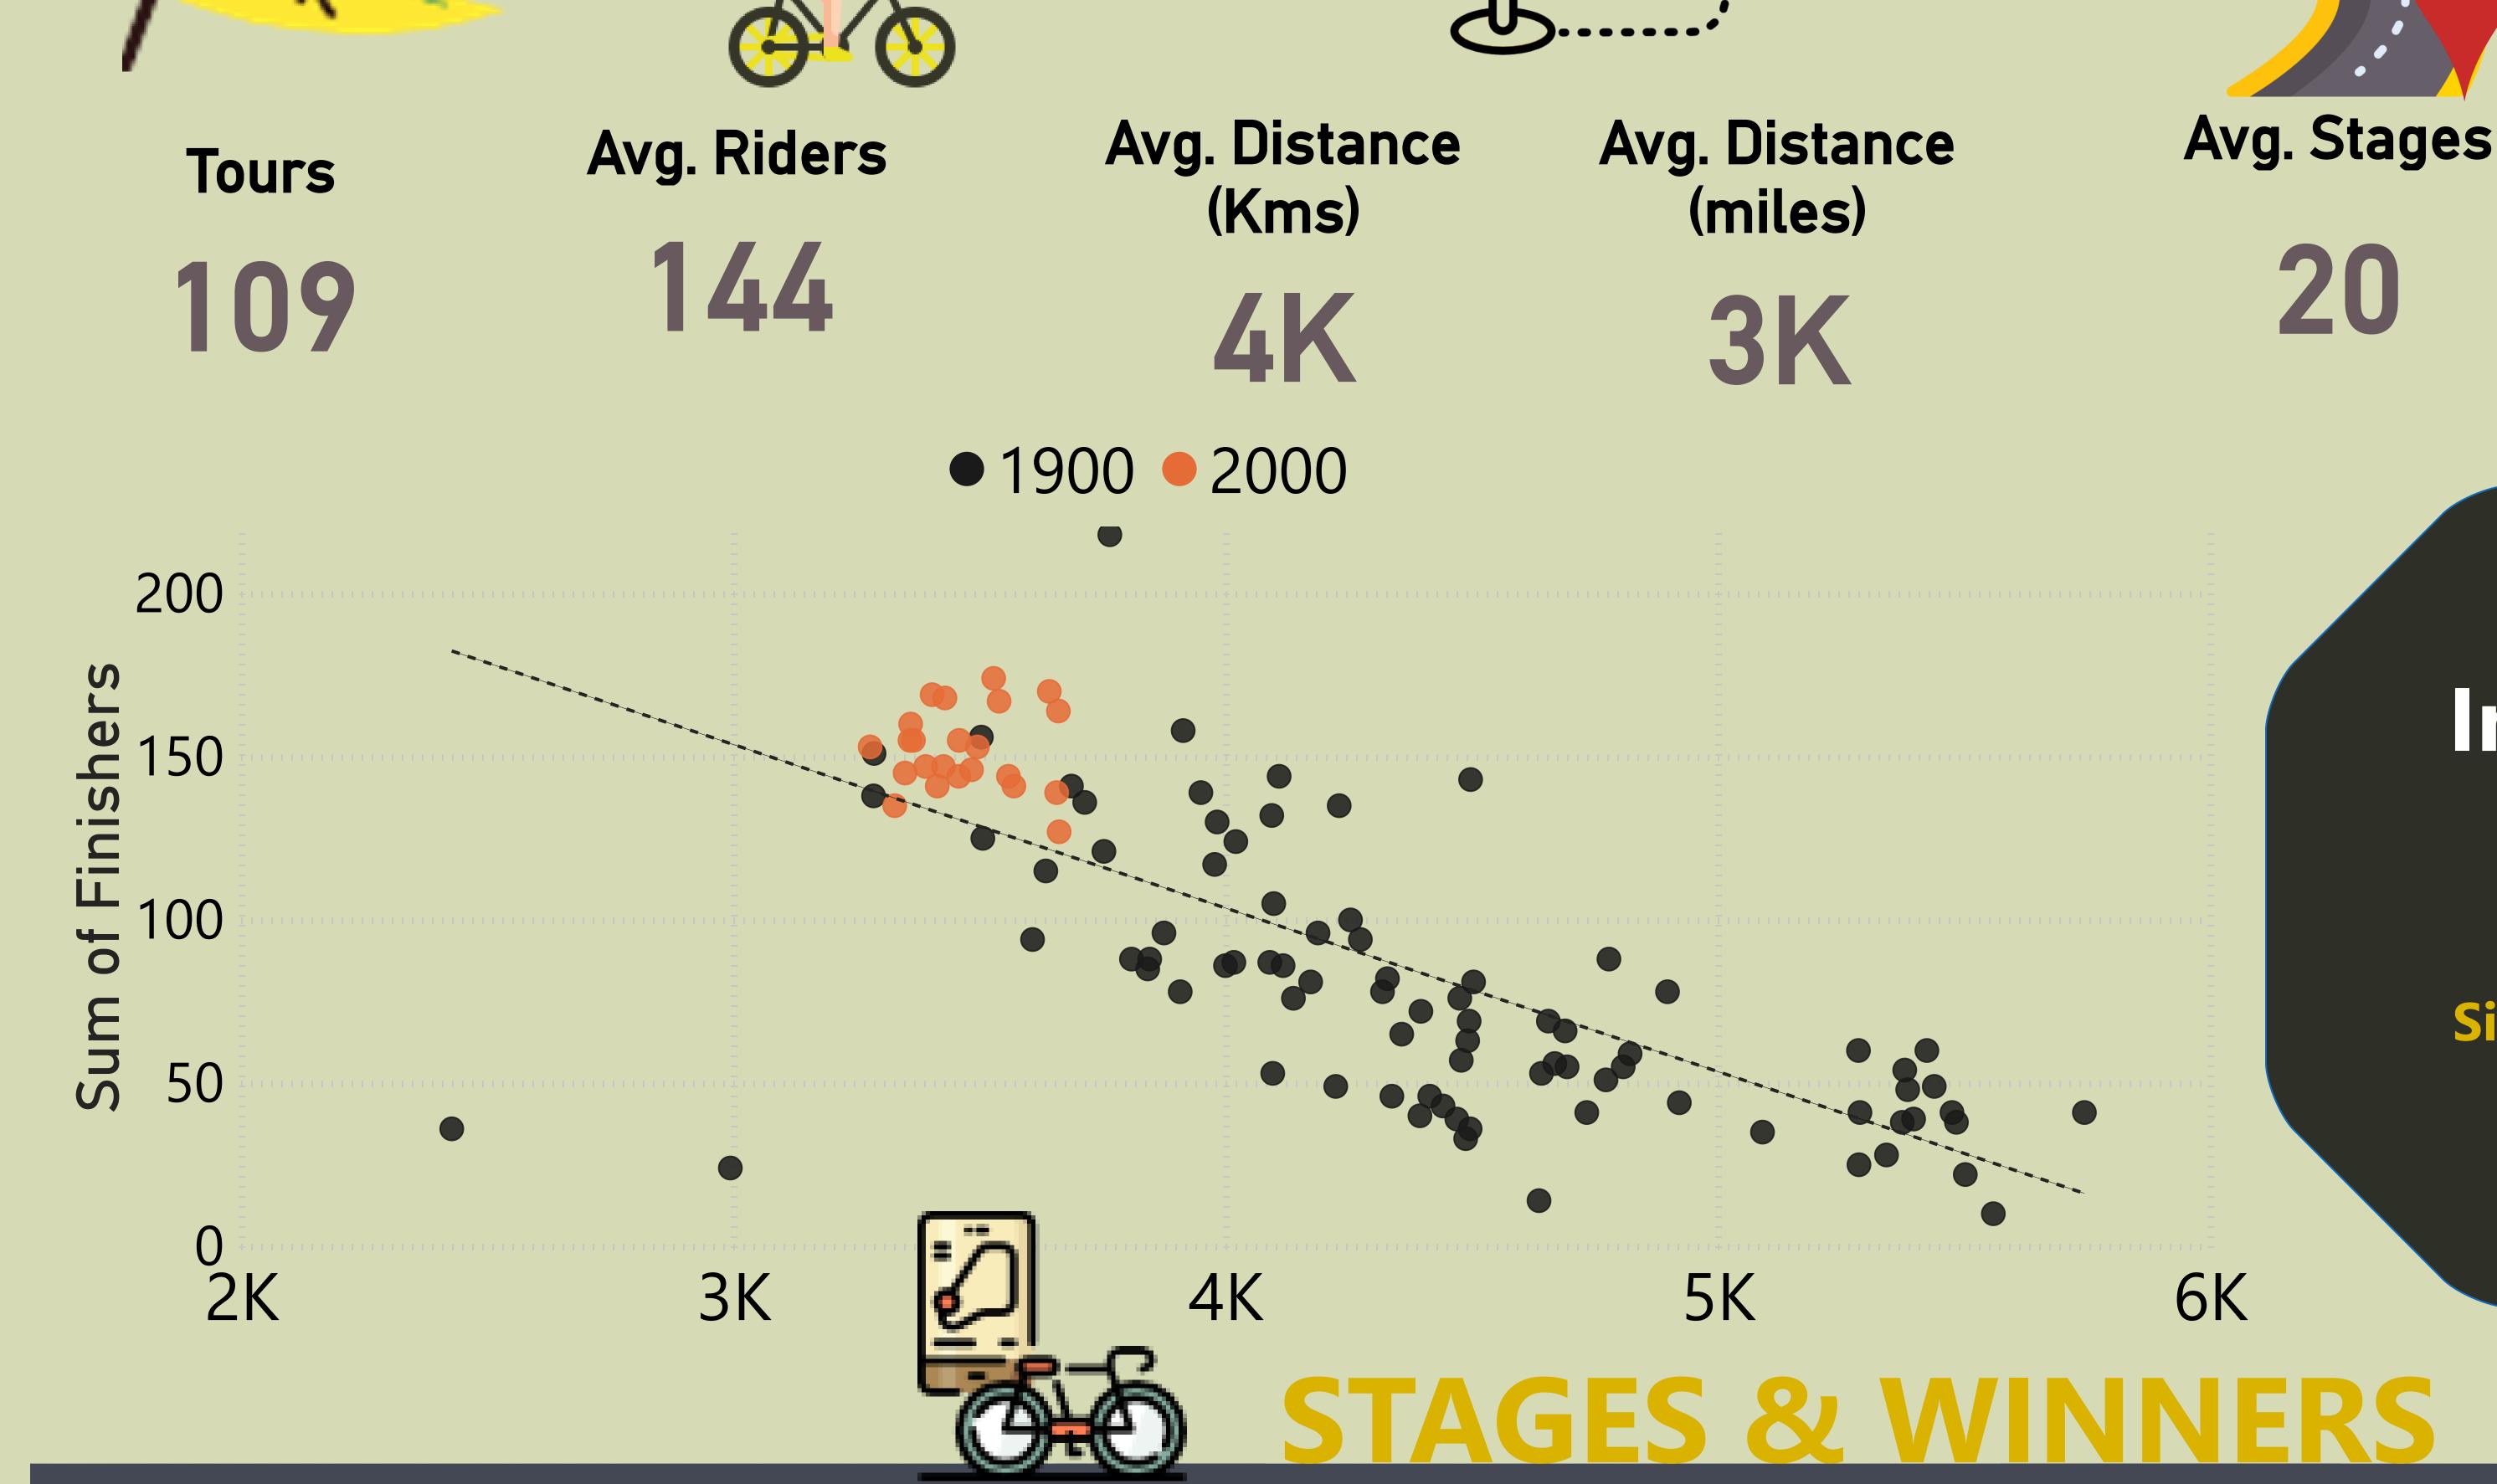

Rider with the fastest overall time in 21 stages is crowned the WINNER.

Touring le Jour de France

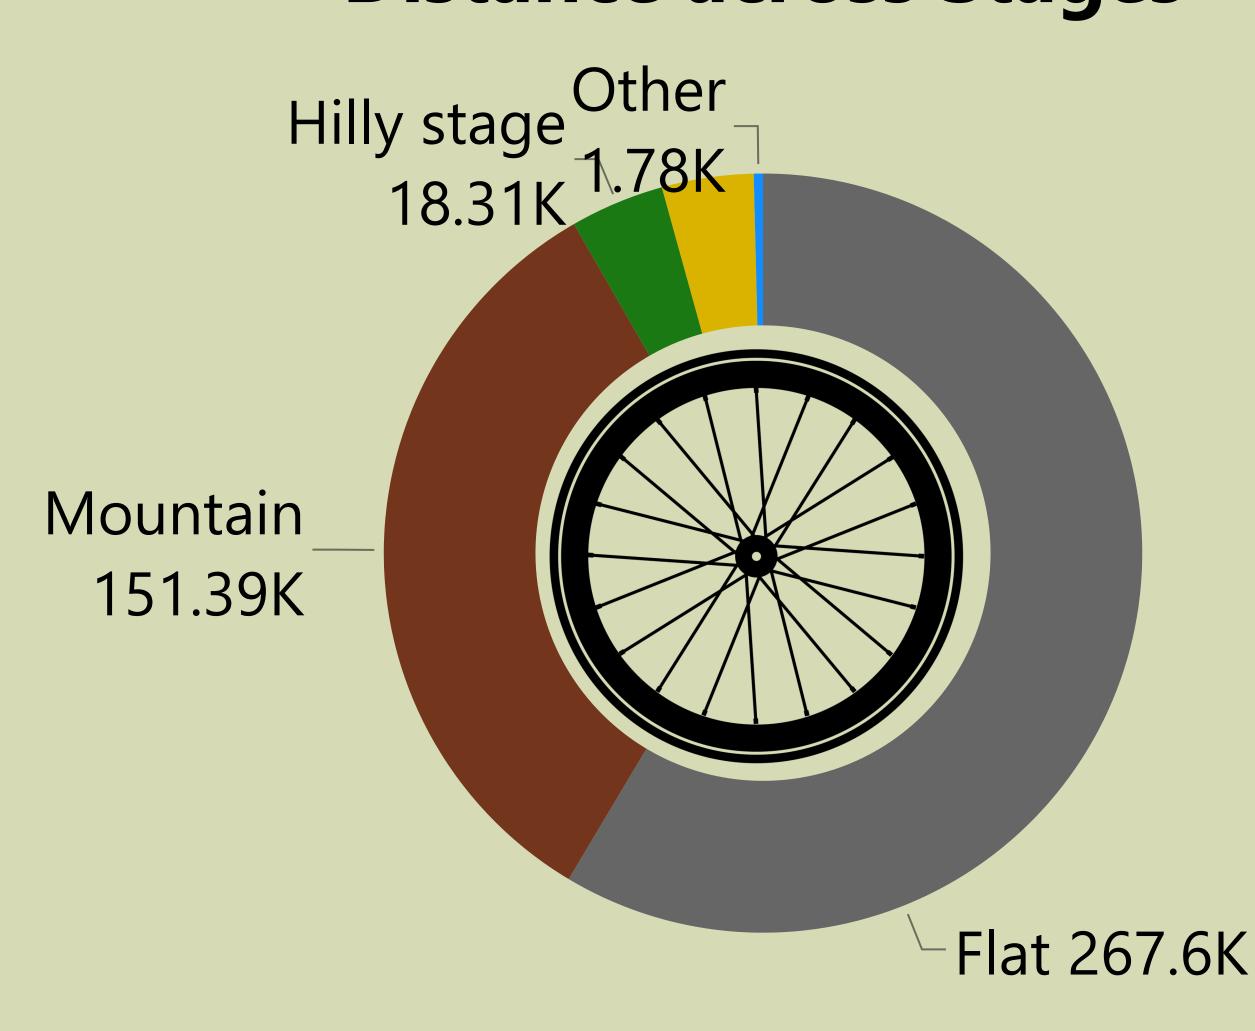

"As distance Increases, Finishers decreased"

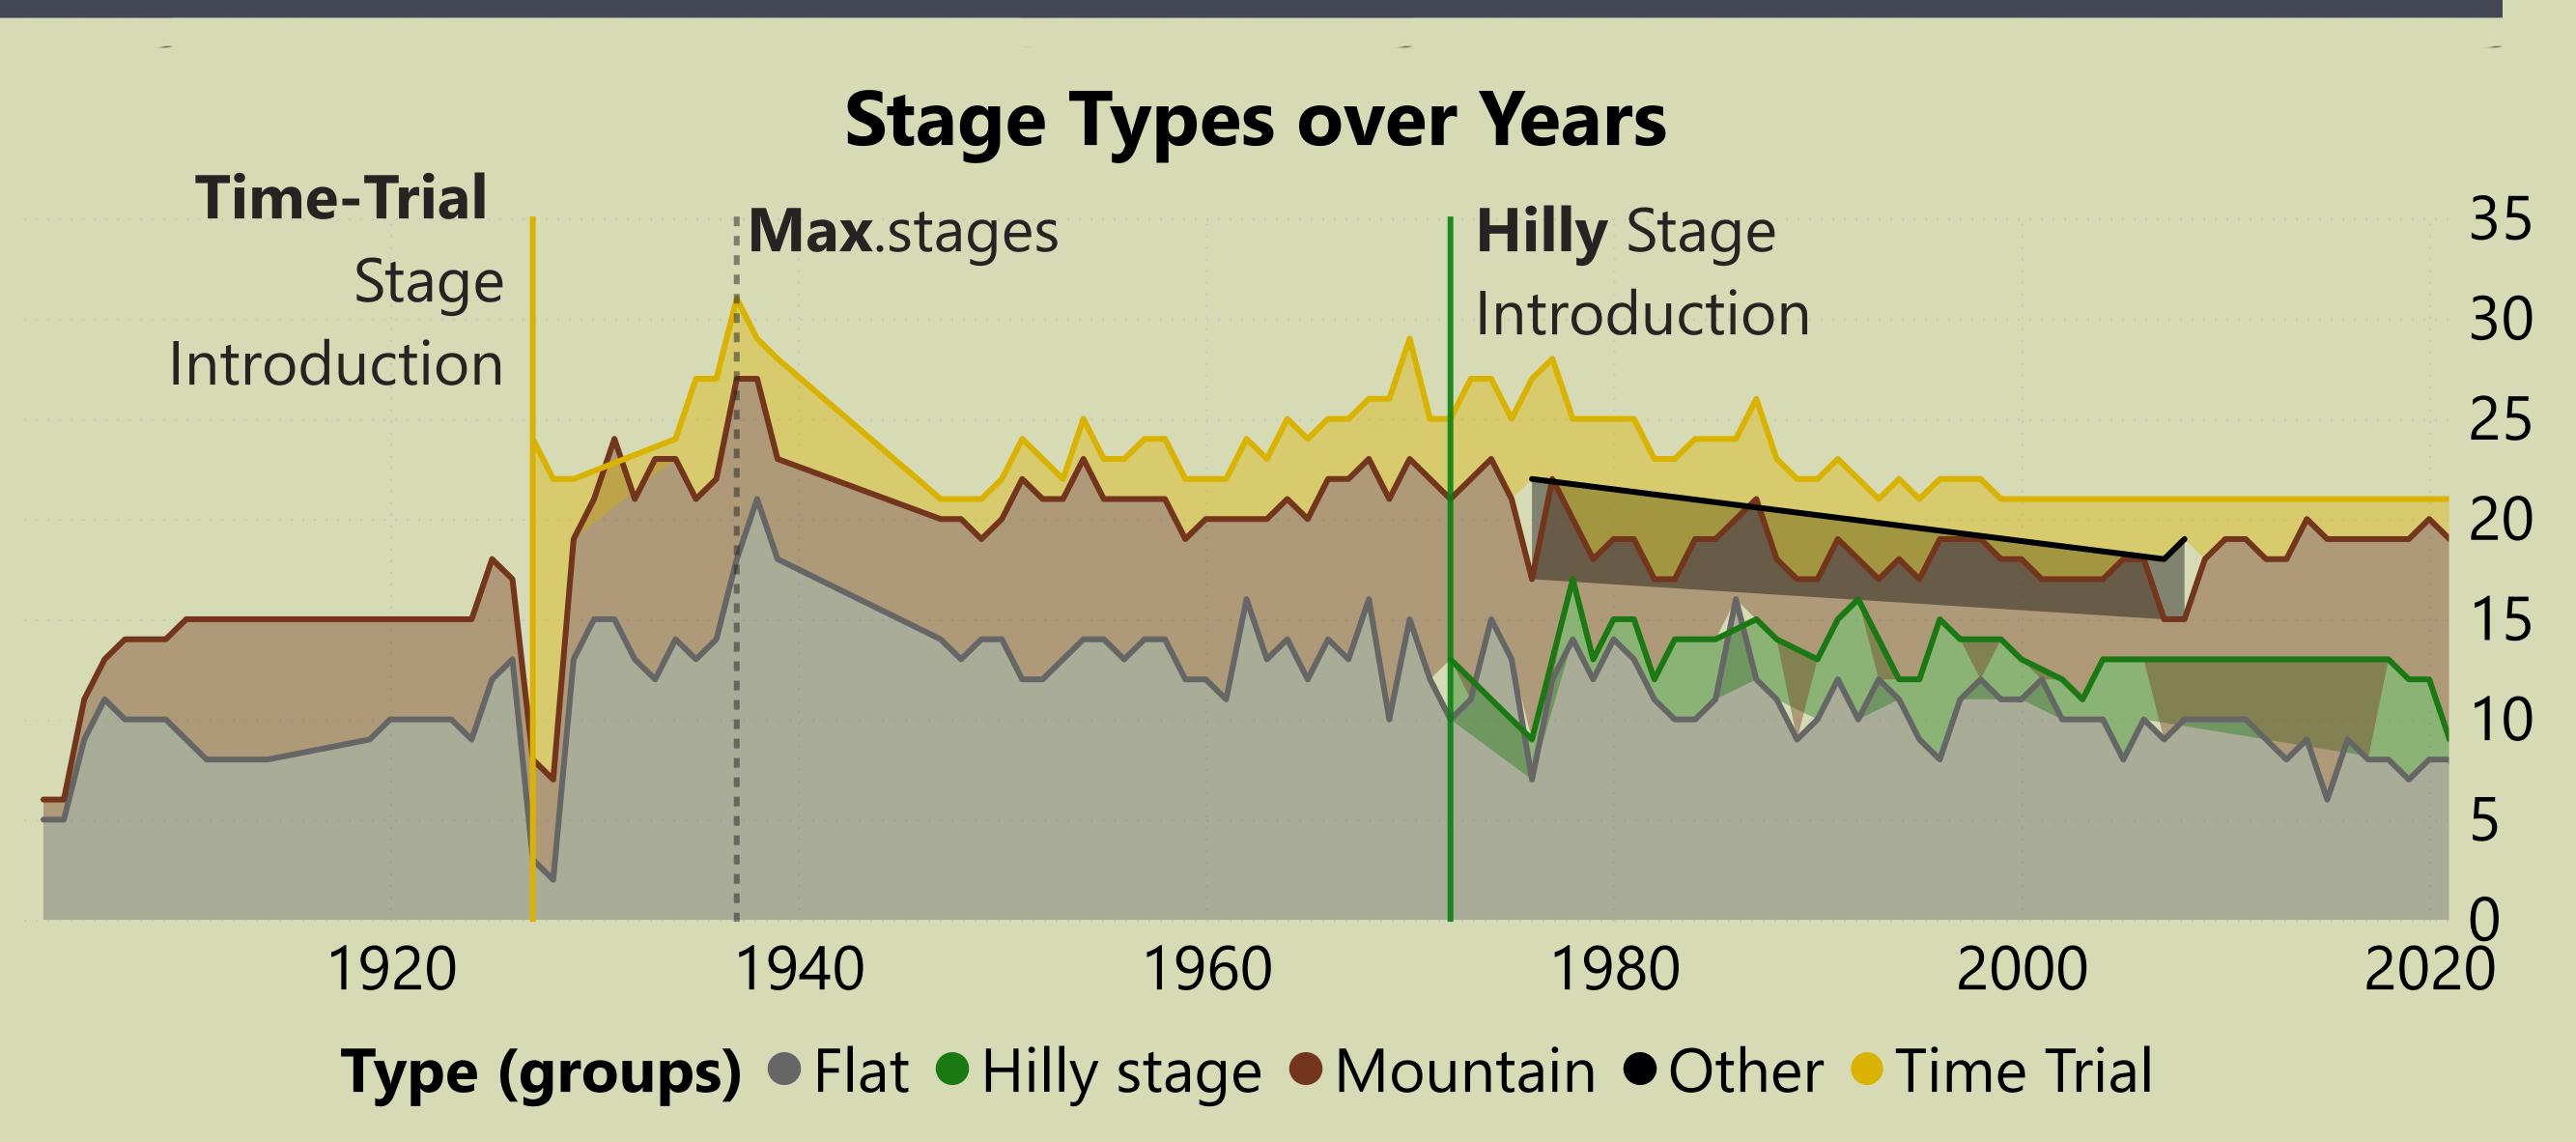

FINISH

Avg. Finishers

Since the distance was less than
4K kms from 2000s,
there were more finishers

Distance across Stages

Non-EU Stage Type Winners

The 1937 race had 31 stages From 2000's, Only 21 stages

Leads by NON- EU:

Flat - Australia

Mountain - Columbia

Time Trial - USA

Hilly - Columbia
